# Hang Seng FPS QR Mobile Collect

Just 3 Simple Steps to Collect
FPS QR Code Payment

## Hang Seng FPS QR Mobile Collect

Hang Seng FPS QR Mobile Collect simplifies payment collections for your business.
By displaying a QR code generated on the Hang Seng Business Mobile App, you can instantly collect
payments at a physical store or on-the-go, making it fast, convenient, and secure.

Business Payment Collections Simplified

Fast and Convenient Payment Collection

Unique FPS QR codes generated through Hang Seng FPS QR Mobile Collect, enable instant payment scanning and processing for your customers.

Streamlined Transaction Management

Let you easily track transactions on Hang Seng Business e-Banking or Hang Seng Business Mobile App.
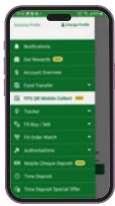

Secure and Reliable

Generating QR codes to collect payments can reduce cash handling errors and keep your FPS ID private and safe.

How to Generate a QR code in 3 easy steps?

Step 1

Login to Hang Seng Business Mobile App, then access to FPS QR Mobile Collect in the left menu

Step 2

Generate a static or dynamic QR Code

Step 3

Show / share the FPS QR code for payment collection
