**Update of risk rating of Constituent Funds under the Hang Seng Mandatory
Provident Fund – SuperTrust Plus (the ‘Scheme’)**

We conduct reviews of the risk ratings for the Constituent Funds under the Scheme regularly in response to market conditions and our internal evaluations. Starting from 13 November 2023, we implemented a revised methodology that resulted in revisions to the risk ratings of certain Constituent Funds. On the other hand, the calculation methodology for risk class, which is another set of risk indicator concurrently being disclosed with the risk rating in the ‘Fund Fact Sheet’, remains unchanged.

To obtain the latest risk ratings of the Constituent Funds and the description of each of the risk rating category, please refer to the ‘Monthly Fund Performance Summary’ and/or the ‘Fund Fact Sheet’ posted on the Hang Seng MPF website or to the Hang Seng Personal Banking mobile app. Should you have any queries, please contact our Hang Seng MPF Service Hotline on **(852) 2213 2213**.

Please note that the risk ratings provided are for reference only and should not be regarded as investment advice. You should not solely rely on the risk ratings when making any investment choices for your MPF account(s).
