Frequently Asked Questions – MPF Member Benefit Statement – Personal Account Members

Applicable to the statement for the scheme financial period from 1 July 2023 to 30 June 2024.

Frequently asked questions for MPF Member Benefit Statement are used to explain or elaborate the information presented in the statement for the specific scheme financial period.

Accrued benefits

What is the difference between 'Closing balance' and 'Adjusted closing balance' in the 'Accrued Benefit Summary'?

The 'Closing balance' is the dollar value of your MPF accounts, calculated based on the unit price, as at the last business day of June 2024, i.e. 28 June 2024.

The 'Adjusted closing balance' is the total balance of all invested Constituent Funds as at 30 June 2024, in which the greater of Actual Balance or the Guaranteed Balance of the investments in the Guaranteed Fund (if any) is used. If the account balance in the Guaranteed Fund is crystallised on 31 December, the 'Adjusted closing balance' will be equal to the 'Closing balance'. The guarantee in the Guaranteed Fund only applies under certain conditions. Please refer to the [MPF Scheme Brochure](#) for full details of the guarantee features (including in the context of payment of accrued benefits in instalments) and 'Guarantee Conditions'.

For other Constituent Funds, the 'Adjusted closing balance' is equal to the 'Closing balance'.

Attaining the age of 65

If I have reached the age of 65 but have not withdrawn my MPF accrued benefits, will a MPF Member Benefit Statement be delivered to me?

Yes. We will deliver the MPF Member Benefit Statement to you as long as you remain as our scheme member as at 30 June 2024. There is a section on the statement to remind you the alternatives of handling your MPF accrued benefits in the scheme.

Which part of the MPF Member Benefit Statement should I refer to if I would like to know the investment returns for this scheme financial period?

You may refer to the 'Investment returns' in the 'Accrued Benefit Summary' section. The amounts are calculated based on the unit prices as at the last business day of June 2024, i.e. 28 June 2024 and are for reference only. The actual investment returns can be ascertained only when the benefits are paid out or transferred.

How can I calculate the amount of 'Account(s) gain/(loss) during the period'?

The amount of the 'Account(s) gain/(loss) during the period' is calculated by subtracting the opening balance and other transactions (excluding special bonus, bonus unit rebate and guarantee charge rebate (if any)) during the scheme financial period from the closing balance as at 30 June 2024.

Example:

Opening balance: HKD43,431.76 as at 1 July 2023

Total contribution invested: HKD12,000.00

Total amount transferred into scheme: HKD24,311.00

Total amount transferred out of or withdrawn from scheme: HKD673.30

Number of units held in fund: 4,519.415 units

Unit price for the fund as at 28 June 2024 (the last business day of June 2024): HKD22.15

Calculation:

- The closing balance = The number of units held in fund x The unit price for the fund as at 28 June 2024
4,519.415 units x HKD22.15 = HKD100,105.04
- Account(s) gain/(loss) during the period = Closing balance - Opening balance - Total contribution invested - Total amount transferred into scheme + Total amount transferred out of or withdrawn from scheme
HKD100,105.04 - HKD43,431.76 - HKD12,000.00 - HKD24,311.00 + HKD673.30 = HKD21,035.58

How are the fees for the MPF Conservative Fund be deducted?

Fees and charges of the MPF Conservative Fund can be deducted from either (i) the assets of the MPF Conservative Fund or (ii) Members' account by way of unit deduction. From 1 July 2015, fees and charges deduction method of MPF Conservative Fund of the Hang Seng Mandatory Provident Fund – SuperTrust Plus has changed from method (ii) to method (i). Therefore, the unit prices, net asset value (NAV) or fund performance of MPF Conservative Fund quoted have reflected the impact of fees and charges for the period starting from 1 July 2015. Before 1 July 2015, the unit prices, NAVs and the fund performance quoted for MPF Conservative Fund of Hang Seng Mandatory Provident Fund – SuperTrust Plus have not reflected the impact of fees and charges.

The pie chart shows the fund allocation of your closing balance as at the end of the scheme financial period. It contains the five largest holdings in Constituent Fund invested and the aggregated balance of the rest of

holdings in Constituent Fund invested (ie, 'Others') (if any). It will be sorted by percentage and Constituent Fund name by alphabetical order if there are the same holdings. If your closing balance is zero, no fund allocation will be shown.

Why does the Constituent Funds invested not match with my fund allocation shown on the pie chart? Which part of the statement should I refer to if I would like to know the fund allocation of my MPF account?

The pie chart displays the five largest holdings in Constituent Funds invested with the percentage of the closing balance. For more than 5 Constituent Funds invested, the aggregated balance of the rest of holdings is grouped as 'Others'. You may refer to the 'Asset Allocation' section which lists out all your holdings in Constituent Funds invested as at the end of the scheme financial period.

What is the difference between 'Account(s) gain/(loss) during the period' and 'Account(s) gain/(loss) since inception'?

'Account(s) gain/(loss) during the period' shows the dollar value of overall account gain/(loss) of your MPF accounts, including 'Special bonus', 'Bonus unit rebate' and 'Guarantee charge rebate', (if applicable), for the current scheme financial period only.

'Account(s) gain/(loss) since inception' reflects the overall account gain/(loss) of your MPF accounts since you first joined that MPF account, which also includes 'Special bonus', 'Bonus unit rebate', 'Guarantee charge rebate' and 'Unit deduction (for expenses of Constituent Fund)' for MPF Conservative Fund, (if applicable).

How can I calculate the amount of 'Account gain/(loss) since inception'?

The amount of the 'Account gain/(loss) since inception' is calculated by adding the 'Investment returns', 'Special bonus', 'Bonus unit rebate', 'Guarantee charge rebate' and minus 'Unit deduction (for expenses of Constituent Fund)' for the MPF Conservative Fund (if any) of current year and previous years starting from the first day you joined that MPF account.

'Account gain/(loss) since inception' = all years' 'Investment returns' + all years' 'Special bonus' + all years' 'Bonus unit rebate' + all years' 'Guarantee charge rebate' - all years' 'Unit deduction (for expenses of Constituent Fund)' for the MPF Conservative Fund.

Zero balance statement

Why do some of the statements show a few paragraphs stating that the account balance is zero?

If a scheme member's MPF account does not have any fund balances and transactions during the scheme financial period from 1 July 2023 to 30 June 2024, we will issue a statement explaining some possible circumstances that may result in a zero balance.

Under what circumstances will there be no contributions or fund balance for the scheme member?

The transferred monies have not yet been received or processed as at 30 June 2024.
